Dear Parents/Carers,

Capital Works Project

The architectural company, awarded the tender by the Victorian Schools Building Authority (VSBA) of the new gymnasium, presented their latest schematic drawings and plans to the School Council meeting on Tuesday evening. The School Council were very impressed by the inclusive design of the gymnasium, which also factored in many environmental and school community considerations. There are now a series of project assessments to be completed before the official builder tender is released. All these processes will be overseen by the VSBA.

Preps Visit Science Works

On Tuesday our Prep students travelled by bus to Science Works for their first excursion for the year. It was a very exciting day with our young students participating in many activities and learning science!

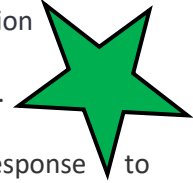

Reports

Semester 1 Student Reports will be made live for families to access on Thursday 27th June at 4pm on Compass.

These reports focus on Student Personal and Social Capabilities as well as identifying their progress in all subject areas.

You will notice a change to the way Mathematics is reported this semester, with a total aggregate result given for all Mathematical understanding. We will provide further information about this change through Compass.

Students have also added their own celebrations from the semester to their reports.

Through our move to more continuous communication of student work, and in a response to community feedback, reports should be viewed in conjunction with student learning snapshots found on Seesaw, where rich feedback is given on student work samples.

We hope you enjoy reading these reports, that are a celebration of your child's learning this semester.

3-Way Conferences

On Monday 17th June, a Compass message was sent to all families regarding the booking process for 3-Way conferences for Semester 1. Bookings are now open and will remain open until Tuesday 25th of June.

You may notice this year we have multiple Conference Cycles open for Specialist Programs, Support Programs as a result of staff availability. To avoid clashes, please take note of the dates of these different cycles and the times you book.

Each student is encouraged to participate in the conference, celebrate their learning journey, and identify their personal learning goals with their parent/s and/or carer/s. Students will have the opportunity to prepare for this conference during class time. This is a wonderful opportunity for students to have agency in their learning journey.

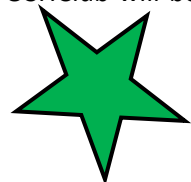

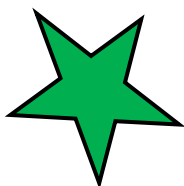

2025 Enrolment

Apply now, online, to enrol your child in Foundation (Prep) for 2025. The Department of Education has released a new state-wide timeline for enrolling in Foundation (Prep) for the 2025 school year. If you have a child starting primary school in 2025, it's time to enrol. Make sure you submit your online enrolment application by Friday 26th July 2024.

End of Term

This term ends on Friday 28 June at 2.30 pm. Term 3 begins on Monday 15 July. OSHClub will be providing a holiday program over the school holidays this July.

Carousel Horses!

The student in Year Three are putting the finishing touches on their fabulous carousel horses which appear in the park scene in the Mary Poppins movie. The students used fluorescent poster paint and feathered brushstrokes to achieve great effect in their painting and combined fine patterned detail to complete their individual horses. The colourful horses reflect fabulous skills in both painting and drawing domains. Well done to all Year Three students.

What's been happening...

Smith Family Fundraising

For the past month, children at OSHClub have been fundraising for the Smith Family Foundation. This organisation focuses on children and young people to overcome educational inequality caused by poverty. They work to provide impoverished children equitable opportunities and build a better future for themselves. Children at OSHClub have been involved in raising awareness of this initiative! The children have used the resources available to them to create a lot of displays and posters! They were able to access the Canva and used their graphic design skills to create a lot of advertisements for the Smith Family. Children have also been busy crafting friendship bracelets and fun keychains to sell to raise funds for the Smith Family. On a recent Pupil Free Day, they also enjoyed baking delicious cookies and cupcakes for our Bake sale. Additionally, the OSHC team raised funds during morning drop-offs by offering parents the opportunity to purchase tea or coffee. The family fundraising experience has been incredibly rewarding, with enthusiastic participation from both children and parents alike. It's been heartwarming to see everyone come together for such a meaningful cause.
