5th Monash Waverley Division AFL Lum Reserve Wheelers Hill East and West Oval 231-259 Lum Road Wheelers Hill

8th Year 6 Puberty Incursion in classroom

15th Year 6 Puberty Incursion in classroom

Dear Parents/Carers,

Animal Dress Up – RSPCA fund Raiser

Our Year 3 students conducted a whole school fund raising event for the RSPCA as part of their integrated unit of study. Many of the students and teachers came dressed as an animal on Tuesday to support this wonderful fund-raising initiative. The school raised the grand total of \$601.85 for the RSPCA. Congratulations everyone and great organisation by our Yr 3 students. I'm sure the animals at the RSPCA will appreciate the extra blankets, food and medicines this generous donation will provide for them.

Student Reports & Student Led Conferences

The student progress reports will be released for parents to access on COMPASS this Thursday from 4.00pm. Learning at Pinewood PS follows the Victorian Curriculum, and we assess against the Standards. This provides our school with a framework and a curriculum content for both knowledge and skills. Your child's student report contains information about discipline-based learning in English, Mathematics, Inquiry Topics, French, Art, Music, STEM and Physical Education.

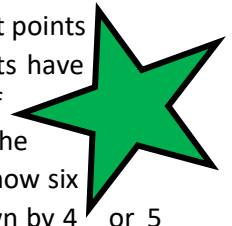

Students are learning the General Capabilities of Critical and Creative Thinking, Ethics, Intercultural Learning, and Personal and Social Capabilities. These are developed across the learning areas. We hope these reports provide an outline of the progress your child has made this semester, and we encourage you to discuss this report with your child in a way that is meaningful to them to encourage and motivate their continued academic, social and emotional development.

Reports should be read in conjunction with Learning Snapshots uploaded regularly on Seesaw, as these work samples provide timely insight into a student's progress, with rich feedback and are part of our continuous reporting model.

Progress for your child will be reported as progression points with previous assessment points shown and current assessment indicating progress. It's worth noting that all students have made growth over the past six months, however if students have not achieved all of the outcomes at the standard or not achieved all the required learning as set by the Victorian Curriculum and Assessment Authority, we are unable to move their dot to show six months growth since the last report. Most students in this scenario have indeed grown by 4 or 5 months but not quite the full six months since the last report.

You may notice that our Specialist areas vary in appearance each semester as these subject areas provide Learning Snapshots for different year levels at different stages of their annual learning journey.

On Thursday 18th July, we will be holding our Foundation - Yr 6, Student Led Conferences for the majority of the school. If your appointment times are different to this, you will have been notified previously. We look forward to your participation in the process.

REMINDER: CHILD SAFETY- SCHOOL DROP OFF AND PICK UP TIMES

Our teachers are on yard duty from 8.45am each day. Parents are welcome to arrive earlier and stay with their child/children until 9.00. However students are not to be dropped off at the school and left unattended before that time- as there is no adult supervision provided at the school before 8.45am.

Students are dismissed from their classes at 3.30pm and it is an expectation of the school that students who are to be collected by a parent at the end of the school day will be collected at that time. If for any reason you are going to be late picking up your child/children, please contact the school.

We no longer have the option of placing early arrivals or late collected children into the 'Before School or After School' care program, as the OSHClub is a privately owned company- it is not operated by the school.

REMAINING PUPIL FREE DAYS FOR 2024- TERM 3 AND TERM 4

As previously shared, please note we have two upcoming dates below, which are pupil free days:

Thursday 18th July – 3 Way Conferences

Monday 4 November - Moderation/ Assessment, Report Writing Day

OSHClub will be operating on the pupil free days to provide care for students, if required by families.

Bookings can be made by directly contacting OSHClub on pinewood@oshclub.com.au or

Ph: 0409 906 462

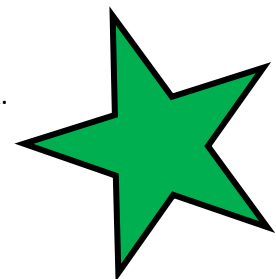

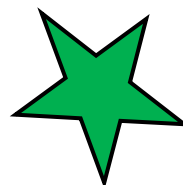

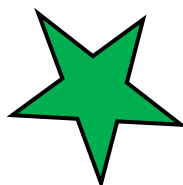

END OF TERM- DISMISSAL AT 2.30 PM ON FRIDAY (TOMORROW)

A reminder to families that the school will be dismissing students tomorrow at 2.30pm and the office will close at 3.00pm. OSHClub will be operating from 2.30pm onwards should you require their child-minding service.

Wishing all our students and families a safe and relaxing end of Term 2 break.

I am looking forward to seeing everyone again on Monday 15th July.

Karen Jenkin
Principal

On Thursday 20th June and Monday 24th June, students from years 3-6 participated in 2 days of Hoop Time Basketball at Waverley Basketball Association in Chadstone. Students who tried out for the Pinewood squad were placed in teams, where they competed in a round-robin style tournament against schools from our district. Our opponents included Glen Waverley PS, Glendal PS, PLC and Mount View PS. All students involved had a fantastic day full of nail biting basketball matches. Well done to all students for showing great sportsmanship and representing our school proudly.

GO PINEWOOD!

CONGRATULATIONS TO...

• Respect • Self-Confidence • Integrity • Responsibility • Optimism

House Points Winners Term 2

2024

Holiday HQ Program Planner

Service: Pinewood OSHClub

Week Beginning: 1.07.2024
